

## 2013 Town Council Campaign

I ran for a three-year term as the District 6 representative to Brunswick Town Council on November 5, 2013 but did not prevail. This is the text of letter that I sent to the editors of our local newspapers:

*4<sup>th</sup> November 2013*

*To the Editor:*

*Although I regret that I did not prevail in the race for District 6 Town Councilor, I do not regret the two-month campaign. I thoroughly enjoyed knocking on doors and meeting the residents and many of the business owners of District 6. It only reinforced my view that I am indeed fortunate to make my home in downtown Brunswick.*

*I could not have wished for a more committed, hard-working, broad-based group of supporters. For that I am especially grateful.*

*I wish Jane Millett success in her term on Town Council.*

*Sincerely,  
s/ Alison Harris*
